- For entry into CPA PEP, a minimum grade of 60% is required in each prerequisite core course and a minimum overall average of 65% or equivalent as calculated by averaging grades across all of a student's prerequisite core courses, is required. A minimum grade of 50% or equivalent is required for every non-core course.

- A course may count as an exemption for more than one prerequisite if it covers competencies across multiple subject areas.

- For **University of Athabasca** courses, please refer to the transfer credit guide on the [CPA Alberta website](https://www.alberta.ca/cpa-alberta-website).
- Disclaimer:

CPA PEP admission may require the completion of updated course(s) for any expired exemptions.
  - Applicants who receive exemptions based on previous transfer credit guides might have knowledge gaps and are encouraged to fill those gaps. Self-study materials are available after CPA PEP admission; applicants are responsible for ensuring they have the knowledge required to support successful completion of the CPA PEP requirements.

<sup>1</sup> Starting Sep 1, 2023, applicants registered in CPA PEP will be expected to have coverage of DAIS competencies prior to entering the program. For more information, please visit our website at [cpawsb.ca](https://cpawsb.ca).
