

Homewood e-AP

What is e-AP?

e-AP is a mobile application for iOS and Android devices by Homewood Health. It provides users access to treatment tools, resources and support so they can get the help they need, when they need it. e-AP includes access to a wealth of tools and resources on HomeWeb, one-touch phone access to Homewood's Client Services Centre and access to HomeChat (live chat).

The app has been designed to give users **one-click access to the following:**

- Expert articles and tools on HomeWeb
- HomeChat (live chat)
- Help and contact resources
- Future tools and resources developed by Homewood

The app is available free to download and you can access a wide variety of tools and resources from Homewood Health 24/7/365. e-AP has been specifically designed with ease of use in mind. Simply register, log in and the app is ready to use, with an easy to use navigation, large icons and contemporary look and feel.

How to access the e-AP mobile application

Download and install e-AP using your smartphone using the links below or visit homeweb.ca/app.

Apple iOS devices: [Click Here](#)

Android OS devices: [Click Here](#)

Simply use the email address and password you chose when you registered for HomeWeb to login to the app.

Or, if you have not created a HomeWeb account yet, you can use the app to register. Then access e-AP's articles and tools, HomeChat or contact Homewood by phone.

If you have any questions please do not hesitate to contact Homewood Health at 1-800-663-1142
