# CPA Manitoba Foundation

The CPA Manitoba Foundation began operating July 1, 2015.

## Vision

To grow the impact of the financial legacy for business and accounting education through inspired and engaged donors.

## Mission

The CPA Manitoba Foundation supports and funds the pursuit of quality business and accounting education.

“As an accountant, I recognize the importance of considering the future and empowering our students and educators to make a difference in this profession. The CPA Manitoba Foundation is committed to supporting students in their pursuit of an accounting designation, as well as assisting post-secondary institutions and businesses in providing excellent academic and professional support. The impact of the Foundation is not possible without donor support from you and other CPA’s so please join me in making the CPA designation possible for others.”

Susan Hagemeister, CPA, CA  
Past Board Chair  
CPA Manitoba Foundation Board of Directors
