- Unless otherwise noted, all of the required courses for each subject area must be completed for exemption.
- Applicable courses in the CPA competency areas of Financial Reporting, Performance Management, Management Accounting, Audit and Assurance, Finance and Taxation must have been completed in the last 10 years.
- A single course may appear against more than one subject area in cases where it covers competencies across multiple content areas.
- Students who are missing one or more of the required courses for direct admission into CPA PEP may consider completing equivalent coursework at Brandon University, at another recognized post-secondary institution, or through the [CPA preparatory courses](#).
- Transfer credits are assessed according to the requirements in place at the time the course(s) had been taken and exemption will be granted provided the course(s) meet the currency of education and grade requirements for CPA PEP. Courses completed prior to CPA's establishment in 2013 are assessed according to the 2013 CPA transfer credit guides or known recognized equivalencies, provided they meet the 10-year currency of education policy for core prerequisites. Applicants are advised that if they have not met the current prerequisite requirements at the time of PEP admission, knowledge gaps may exist. Self-study materials may be accessed upon PEP registration and it is the responsibility of the applicant to ensure they have the required knowledge to support successful completion of the PEP requirements.
